Additional Supplemental Information

The Organization provides a unique niche community service in progressive prison education and reform efforts. Limited existing sources funding for social justice has required the charity to devote a significant time to cultivating programs and relationships with prominent institutions of higher learning, for recruitment of student volunteers, long-term funding for fellowships, and expansion to neighboring states and sponsoring universities. These services are funded by contributions from the general public, several of which are major donors.

Part X - FASB ASC 740 Footnote

In accordance with ASC Topic 740 "Accounting for Uncertainty in Income Taxes", the Organization has evaluated its tax positions. A tax position is recognized as a benefit only if it is "more likely than not" that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that has a likelihood of being realized on examination of more than fifty percent. For tax positions not meeting the "more likely than not" test, no tax benefit is recorded. Under the "more likely Schedule D (Form 990) 2020

Part X - FASB ASC 740 Footnote (continued)

than not" threshold guidelines, the Organization believes no significant uncertain tax positions exist, either individually or in the aggregate, that would give rise to the non-recognition of an existing tax benefit. In addition, the Organization had no material unrecognized tax benefits or accrued interest and penalties.

The Organization's policy is to recognize interest related to unrecognized tax benefits in interest expense and penalties in income tax expense.

Form 990. Part III. Line 1 - Organization Mission

The Petey Greene Program supplements education in jails, prisons, and detention centers by preparing volunteers (primarily university students) to provide free, quality tutoring and related programming to support the academic achievement of incarcerated people.

The Petey Greene Program is transformative for volunteer tutors and incarcerated students alike. We imagine a future in which alumni volunteers, along with our formerly incarcerated students, are empowered to take on leadership roles that will re-imagine the criminal justice system. We envision a world in which all incarcerated people have access to high-quality academic programs.
